

# **Wanaque Public Library Policy Manual:** **Introduction & Mission**

## **Introduction**

*Adopted by Wanaque Public Library Board of Trustees 9/27/2022*

This policy manual communicates the intent of the library. Library policies should be reviewed, revised and updated by the Board of Trustees, in consultation with the Library Director, every two to three years or whenever it is necessary to clarify or change a policy.

If a policy in this document is found to conflict with the law or with a policy of the PALS Plus Library Consortium, the Library Director will notify the Library Board and the policy will be reviewed by the Board at the next Board Meeting. In the meantime, the Library Director is authorized to use his/her/their judgment to find a temporary solution or workaround.

## **Mission**

*Adopted by Wanaque Public Library Board of Trustees 9/27/2022*

Wanaque Public Library is a community resource, providing library services to the residents of Wanaque Borough. The Library is a community resource that is open to the public and actively supports the love of reading, the exchange of information, the use of technology, and a variety of community and outreach services. As a member of the PALS Plus Library Consortium, the library shares resources with and has reciprocal borrowing agreements with many other Passaic County public libraries.
